about us

Here you can create a short URL that can be effectively used instead of an existing, long URL. Enter your URL in the textbox below and click "Make Short URL!" to create a short URL.

Please fill in the following field with the URL you want to shorten
(put a copy/past from URL):

Keyword (optional):

Secure code:

Type secure code here (required):

Make Short URL!

Drag and drop this link: **P1.fr** into your browser bookmarks.
After this you can use this service on any page you want!!

P1.fr was created as a free service to make using long URLs easier, and may only be used for actual URLs. You can now hide your affiliate URLs, hide real website URL or just make your long URLs shorter. Using P1.fr for spamming or illegal purposes is forbidden and any such use will result in your short URL being disabled (you'll be banned from using any service from this site) and you may be reported to all ISPs involved and to the proper governmental agencies. Your IP will be logged. This service is provided without warranty of any kind.
